Please help us avoid this kind of disaster in our county!

http://www.oregonlive.com/pacific-northwest-news/index.ssf/2016/06/oil_train_derails_near_hood_ri.html

I live in the Arbors neighborhood in San Luis Obispo. The trains run right through our development. The tragedy in Oregon is all the proof we need that this could happen here if oil trains are allowed to run through our county. Please support renewable, non-toxic energy sources. Time to get off the oil train!
